

AEG

START GUIDE CONNECTIVITY

Experience customized laundry care with My AEG Care App. Connect and control your laundry appliance from anywhere and receive notifications of when your laundry is ready. Enter type of garment and get recommended wash and dry programmes even for your 'special care' items with Care Advisor. Save your favorite programmes, easily understand Care labels, and access additional settings and features from your smartphone. My AEG Care App. Faster and smarter way to care for your clothes.

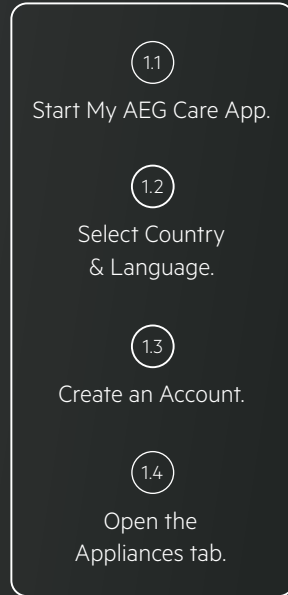

CONNECT YOUR APPLIANCE

MY AEG CARE APP START GUIDE FOR USING CONNECTIVITY

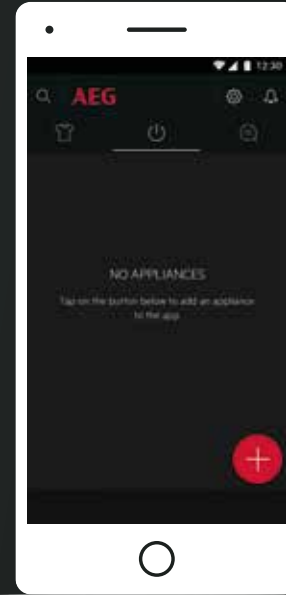

Apple App Store and iOS are trademarks of Apple Inc. Google Play Store and Android are trademarks of Google Inc. WiFi is a trademark of the WiFi alliance.

1

Appliances tab  is in the top menu (Android), or bottom menu (iOS).

2

2. Select:
Add Appliance.

3

3. Turn on WiFi on your washing machine or tumble dryer.

The start guide is general, but certain steps apply only for:  Apple iOS  Android OS

4

4. Make sure to keep your name and password to your home network ready.

5

5. Switch on Wifi on appliance.

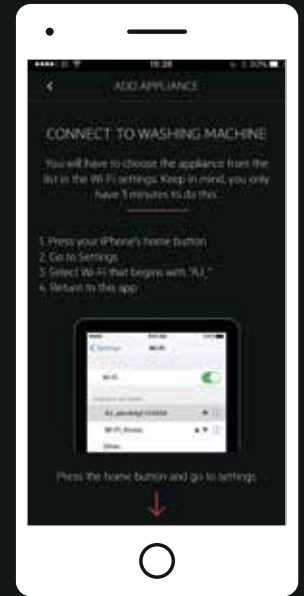

6

6

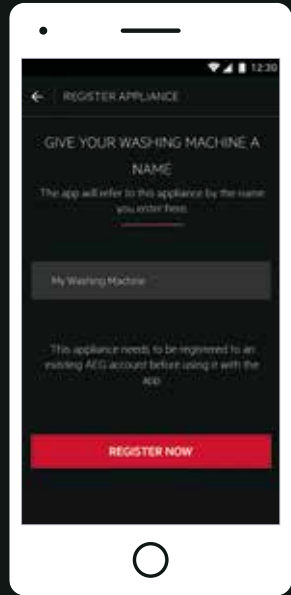

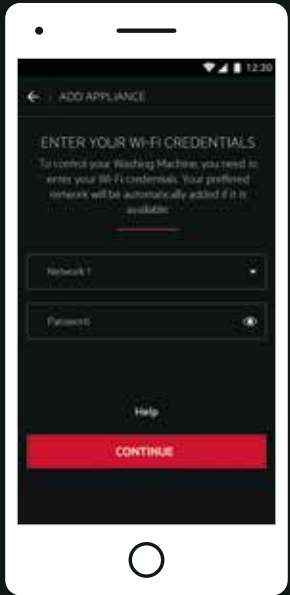

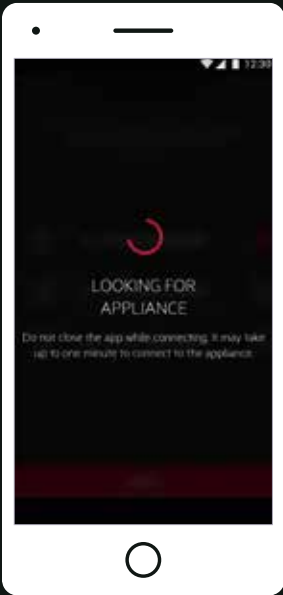

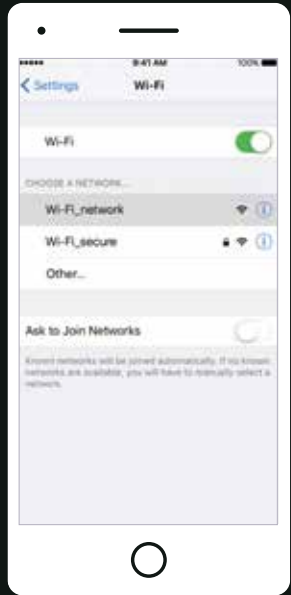

6a

6a. Connect to the WiFi of your appliance. Press **Home button** to close the app.

Congratulations, you are now connected and can start using **My AEG Care App** with your appliance!

7. The app connects to your appliance.

6b. Go to Settings in iOS and open WiFi. Connect to **AJ_*** network and go back to My AEG Care App.

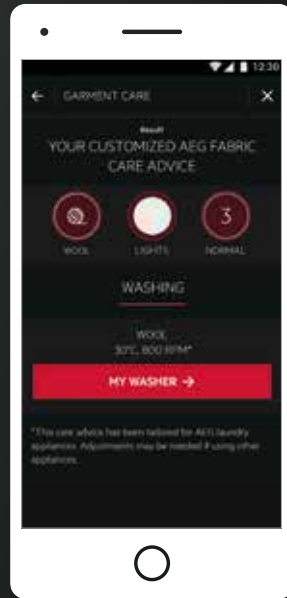

8. Select the network you want your appliance to connect to, and enter the password.

9. Once the network has been configured, you can name your appliance.

CARE ADVISOR

The expert Care Advisor suggests the best programmes for clothes to provide tailored cleaning.

Care Advisor benefits:

- Quick access to expert advice on how to wash and dry your clothes, and read care labels;
- Care recommendations for special fabrics or handwash only items;
- Send recommended programmes from your smartphone directly to your laundry appliance;
- Fine-tune the washing programme, by selecting the color of the load and also the soil level;
- Follow the progress of the laundry programme directly from your smartphone;

KEEP DISCOVERING

Experience next generation laundry care by connecting your appliances to My AEG Care app: from receiving programme recommendations and sending them directly to the machine, to controlling the appliance whether you are at home or out.

Care Label guide

No need to read Care labels anymore, everything you need is in the app.

My Favourites

The personalised MyFavourites means settings can be saved for the clothes you wear often.

Remote control

The convenient app enables you to remotely control your machine, wherever you find yourself - at home or on the go.

Exclusive to app users

Access to additional laundry programmes and new features, keeping your machine always updated.
